Why AIoT Korea 2025? ▶▶▶

Korea's only intelligent IoT specialized exhibition

- ▶ A venue for sharing AIoT technologies & services, such as digital transformation of all industries
- ▶ A place to create AIoT business opportunities by converging with the digital twin, metaverse, and blockchain

Creating synergy by holding about 10 events as a side event for AIoT Week Korea (with 20,000 participants)

- ▶ AIoT international conference, AIoT Product/Solution Presentation, Technology seminar, etc.

Various on/offline promotions

- ▶ Sending newsletter to 100,000 DB, supporting online promotion through SNS
- ▶ Publicity support for Exhibitors (press releases), etc.

The 3rd 2025 AIoT Innovation Awards

- ▶ Awards are given to companies, institutions, and universities that have demonstrated excellent performance (innovation) in five fields (services, technology, standards, security, and products).
